OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this day

of

State Engineer.

APPLICATION FOR PERMISSION TO CHANGE THE POINT OF
DIVERSION OF WATER HERETOFORE APPROPRIATED
FROM THE EAST FORK OF WALKER RIVER.

Date of first receipt and filing in State Engineer's Office MAR -6 1938
Returned to applicant for correction _____
Corrected application filed _____

The undersigned Mrs. C.T. Martin, of Yerington, County of Lyon, State of Nevada, hereby makes application to change the point of diversion of waters heretofore appropriated and beneficially used as hereinafter shown.

1. The source of the water supply proposed to be changed is East Fork of Walker River.
2. The quantity of water desired to be changed is .665 cubic feet per second.
3. The water is to be used for irrigation and domestic purposes.
4. The water is to be diverted from its source at the following point: SW. Corner of the NW $\frac{1}{4}$ of SW $\frac{1}{4}$, Sec. 22, T. 13 N., R. 25 E., M.D.B. & M.,
5. The existing point of diversion under the former appropriation is as follows: SE $\frac{1}{4}$ of SW $\frac{1}{4}$, Sec. 30, T. 12 N., R. 26 E., M.D.B. & M., which point is at the head of the Greenwood Ditch.
6. The water herewith desired to be changed has been beneficially and continuously used upon the following described lands: NW $\frac{1}{4}$, and N $\frac{1}{2}$ of SW $\frac{1}{4}$, Sec. 22, T. 13 N., R. 25 E., M.D.B. & M., as shown in U.S. District Court Decree No. 731, page 55 under W.H. Spragg.
7. Number of acres heretofore irrigated is 240
8. Number of acres proposed to be irrigated is 240
9. Description of land proposed to be irrigated is the same as under question No. 6, above.
10. Description of proposed works: Water will be diverted by means of a pump, and conveyed to the lands proposed to be irrigated by ditches, and laterals.
11. Estimated cost of proposed works is \$800.00
12. Estimated time required to construct the proposed works is One (1) year.
13. Irrigation will begin about April 1st of each year, and end about October 31st of each year.
14. The water has been used heretofore during the months of April, May, June, July, August, September, and October of each year.
15. Remarks: The land involved in this application for change in point of diversion is the NW $\frac{1}{4}$, N $\frac{1}{2}$ SW $\frac{1}{4}$, Sec. 22, T. 13 N., R. 25 E., M.D.B. & M., mentioned in U.S. District Court Decree No. 731 on page 55, under Greenwood Ditch (W.H. Spragg).

This is an incorporated Ditch, the water being decreed to the Ditch and Stock being issued to the land holders in lieu thereof. The Greenwood Ditch is incorporated for 96 shares of stock, and Mrs. C.T. Martin holds 2 shares of said stock for the land described in this application for change in point of diversion. The applicant, Mrs. C.T. Martin, wishes to change her point of diversion from the Greenwood Ditch to the point described in this application, said point being nearer the land upon which the water is to be used, since by using the Greenwood Ditch it involves running a very small head of water for a long distance and is subject to a heavy loss.

Mrs. C.T. Martin Applicant.

Engineer.

Map filed Feb. 3, 1922.

Proof of commencement of work filed MAR -8 1938

Initial Map filed November 3, 1938. Geo. Martin's portion

Proof of completion of work filed NOV 25 1938

Proof of Beneficial use filed NOV 25 1938

APPROVAL OF THE STATE ENGINEER

This permit to change the point of diversion of 0.665 c.f.s. of the decreed waters of the East Fork of the Walker River with priorities ranging from 1865 to 1905 is granted with the understanding that no prior rights on the source will be affected by the change proposed herein.

As the proposed point of diversion is in the main Walker River below the confluence of the East and West Forks of the Walker River it is further understood that only the waters of the East Fork of the Walker River are subject to the proposed change in point of diversion, and only when priorities being served on the said East Fork are equal to or greater than 1865.

This permit is granted subject to the control and regulation of the duly appointed water commissioner at any and all times.

Actual construction work shall begin on or before May 1, 1937.

Proof of commencement of work shall be filed on or before June 1, 1937.

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1939.

Proof of completion of work shall be filed on or before June 1, 1939.

Application of water to beneficial use shall be made on or before May 1, 1940.

Proof of application of water to beneficial use with cultural map shall be filed on or before June 1, 1940.

WITNESS MY HAND AND SEAL THIS 17th
day of October, 1936.

Alfred Niemi Smith
State Engineer
